

ENECON Hosts Customer Event at Los Angeles Area Winery

ENECON hosted its latest customer event at the San Antonio Winery in Los Angeles, CA. Over 20 current and prospective customers from all over the region were in attendance.

The multi-media presentation given by ENECON's Engineering Team covered the latest advances in polymeric maintenance and repair technology.

The open forum permitted the attendees to share their ENECON application stories, as well as learn from each other regarding problem solving.

After the formal seminar, the entire group enjoyed a V.I.P. luncheon followed by a tour of the winery given by the staff.
